

Dear Sergie,

We would like to thank you for the work done on our stairs and dining room, they turned out very nice. We appreciate the professionalism in the work that was done by you and your staff. We apologize for the initial contact by Roy Barchinger on our behalf, but are glad that things worked out well.

We will recommend you and hope to use you in the future. We will need to have our stair railings refinished.

A handwritten signature in black ink, appearing to read "Jerry and Sandy Harris". The signature is written in a cursive, flowing style with some overlapping strokes.

Jerry and Sandy Harris
